

Log Book

Diploma in Anaesthesiology (DA)

2 years training Program

Bangabandhu Sheikh Mujib Medical University
Shahbag, Dhaka

Preface

The authority of Bangabandhu Sheikh Mujib Medical University has decided to change the total Course Curriculum of Diploma in Anaesthesiology, which will be implemented throughout Bangladesh. From now onwards the duration of the Course will be of two years. In this context the logbook also has to be changed. The logbook has to be properly filled by the students and is a prerequisite for final examination.

To develop a career in Anaesthesiology a doctor has to go through a structured and supervised training programme in this subject. At the end of training, a trainee/student should have the ability to perform preoperative Anaesthetic management. Complete recording of the pertinent activities during the whole period may assess the standard of trainee/training in any discipline. For this purpose this logbook is prepared for the discipline of Anaesthesiology.

Table of Contents

| | Page No. |
|--|----------|
| General Information | 4 |
| SECTION 1: Trainee's Personal Details | 5 |
| Trainer's / Supervisors particulars | 6 |
| SECTION 2: Training log | 7 |
| Training blocks | 7 |
| Clinical Rotation | 10 |
| Basic Anaesthetic skill documentation | 51 |
| SECTION 3: Academic activities | 64 |
| Lecture attended | 64 |
| Journal Club Meeting | 69 |
| Clinical meeting | 71 |
| Tutorial | 73 |
| SECTION 4: Leave Records | 75 |
| SECTION 5: Summary Sheet | 76 |
| Rotation Summary Form | 76 |
| Summary of academic activities | 77 |
| Summary of practical procedures & skills | 78 |
| Basic & advance cardiac life support certificate | 80 |
| Six Monthly Evaluation Report | 81 |
| Certificate of log book completion | 84 |
| Diploma trainee's Block progress report | 85 |

General Information

1. The Log Book is a day to day record of the clinical and academic work done by the student.
2. The log book will be pre-requisite for appearing **Degree Awarding Final Examination.**
3. This log book has to be maintained by all the student throughout the period of training.
4. The student will obtain the log book from the course Coordinator of the parent institute immediately after joining.
5. The student will make the required entries in the logbook on the same day of the event and get signed by the supervisor.
6. It is the responsibility of the student to keep the logbook safe and secured.
7. Entries in the log book will be rotation wise.

Operating room (OR) responsibilities:

1. Report to OR in time at 8 am, 02:30 pm & 08:00 pm for morning, evening & night shifts respectively.
2. Change OR dress and relieve the working Anesthetists of last shift.
3. When there is no operation, stay in the ICU/duty room. If you are to leave your duty/rest room, you must tell your where about to the 'On duty' Consultant.
4. Consult with duty consultant for any problem.
5. Be ready to help other OR's if and when needed

Guidelines for the supervisors:

1. The log book is a day to day record of the clinical and academic work done by the trainee.
2. It is the responsibility of the supervisor to identify and inform the trainee of the area in which he is lacking and provide opportunities to improve the competence.
3. Supervisors or his/her designated consultant/trainer should sign the completed events on that particular day in the appropriate column of the logbook.

Level of Competence/Performance:

- Level 1: Observed/ interpretation
- Level 2: Performed under supervision
- Level 3: Performed independently

SECTION - I: Trainee's Personal Details

Name

Date of Birth

Father's Name

Mother's Name

Address.....

.....

.....

Contact no **E-mail**

Nationality National ID No:.....

Passport No:

BMDC Registration No

Graduation (MBBS): Year:

Institution:

Government / Private

Signature:

Date.....

SECTION 2: Training log

I. Training blocks/ rotations:

Respective department/ institute will arrange rotations duties in block by mutual co-operation with other departments/institutions.

The supervisors can schedule these rotations according to their own circumstances by adding more time in the same block or omitting the block which is not present in the respective institute. **25% completely filled up anaesthetic record sheets of each clinical rotation must be produced by individual candidates during his/her assigned block placement.**

| | |
|-----------------------------------|---------------|
| Pre-operative assessment | 1 month |
| General Surgery | 3 months |
| Orthopaedics and trauma | 2 months |
| Gynae & Obstetric | 3 months |
| Urology | 2 months |
| Otolaryngology | 6 weeks |
| Eye + ECT | 1 month |
| ICU & post anaesthesia care unit | 3 months |
| Neurosurgery | 2 months |
| Paediatrics surgery | 1 month |
| Cardiothoracic & Vascular unit | 1 month |
| Cardiology | 2 weeks |
| Radiology & Imaging | 2 weeks |
| Pain & Palliative care | 1 month |
| Orofacial & emergency Anaesthesia | 2 weeks |
| Anesthesia for offsite procedures | 2 weeks |
| Exam preparatory period | 2weeks |

Total =24 months

1. Operating Room duty for skill development:

During the course students will be placed in the operating room as a specified period except for the didactic class schedule.

2. Work Schedule

It is mandatory to work in the morning session (08.00-2.30pm) irrespective of any evening and night duty.

3. Evening and Night duty

Evening and night duties will be fixed by the Department as their own policy.

4. Record in LOG-BOOK

- Record of all the cases done either with a consultant or independently
- Record of any unusual or interesting anaesthetic problems
- Record of presentations done in the department;
- Record of anaesthesia meetings attended in and outside the department.

MINIMUM NUMBER OF PROCEDURES / CASES TO BE ENTERED IN LOG BOOK

| SL No | Procedures/ Cases | Number of procedures / cases | Level-I | Level-II | Level-III |
|-------|---|------------------------------|---------|----------|-----------|
| 1 | Regional | 150 | | | |
| | Subarachnoid block | 100 | 5 | 5 | 90 |
| | Lumbar epidural block | 15 | 2 | 3 | 10 |
| | Caudal epidural block | 20 | 2 | 3 | 15 |
| | Bier's block | 5 | 1 | 1 | 3 |
| | Brachial plexus block | 5 | 1 | 1 | 3 |
| | Monitored anaesthesia care | 5 | 1 | 1 | 3 |
| 2 | General Anesthesia | 300 | | | |
| | General Surgery | 70 | 5 | 5 | 60 |
| | Paediatric Surgery | 25 | 2 | 3 | 20 |

SECTION 5: Summary sheet

A. ROTATION SUMMARY FORM

Name:

Institute:

Session:

| Block/Rotation | Supervisor | Start Date | Finish Date | Remarks | Signature |
|-----------------------------------|------------|------------|-------------|---------|-----------|
| Pre-operative assessment | | | | | |
| General Surgery | | | | | |
| Orthopaedic and trauma | | | | | |
| Gynae. & Obstetrics | | | | | |
| Urology | | | | | |
| Otolaryngology | | | | | |
| Eye + ECT | | | | | |
| ICU & post anaesthesia care unit | | | | | |
| Neurosurgery | | | | | |
| Paediatric surgery | | | | | |
| Cardiothoracic & Vascular unit | | | | | |
| Cardiology | | | | | |
| Radiology & Imaging | | | | | |
| Pain & Palliative care | | | | | |
| Orofacial & emergency Anaesthesia | | | | | |
| Anesthesia for offsite procedures | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

B. Summary of the Academic Activities:

Period:

| Sl. No. | Events/ Tasks | Minimum requisite number for the training period | Number performed (%) |
|----------------|----------------------------|---|-------------------------------|
| 1 | Lectures attended | 70% of schedule lecture | |
| 2 | Tutorials attended | 70% of the schedule | |
| 3 | Journal club presentations | 15 | |
| 4 | Clinical meetings | 15 | |
| | | | |

Summary of Procedures /Skill:

| SL No | Procedures/ Cases | Level of competence | Minimum No. to be done during the training period | Number done | Total Number done Remark | |
|----------------------------|---|---------------------|---|-------------|-----------------------------|--|
| 1 | Regional | | 150 | | | |
| | Subarachnoid (SAB) | 1 | 5 | | | |
| | | 2 | 5 | | | |
| | | 3 | 90 | | | |
| | Lumbar epidural (EDB) | 1 | 2 | | | |
| | | 2 | 3 | | | |

Bangabandhu Sheikh Mujib Medical University

Shahbag, Dhaka

Diploma trainee's Block progress report

Name of the trainee : Session :
Name of the course : Reg. No:
Name of the institute :
Period of block :

| Performance | Poor | Satisfactory | Good | Excellent |
|----------------------|------|--------------|------|-----------|
| Written* | | | | |
| Clinical- Practical* | | | | |
| Oral* | | | | |
| Attendance* | | | | |
| Attitude | | | | |

* Poor: <50%, Satisfactory: ≥50-60%, Good: >60-75%, Excellent : >75%

Note: "Poor" grade in more than two performance during a particular block means deficient training and also cause disqualification for appearing in the final examination unless training in particular block is complete.
